

Christmas Greetings

We can't say we are unhappy 2014 is coming to an end. With the sadness of the passing of our 90 year old father, Charlie and the excitement and exhausting changeover of our store we are looking forward to a fresh start in 2015.

We have many things planned for the new year and if you visit our new website you will see the growing line up of workshops scheduled January to May. If ever you are interested in a technique or pattern, don't hesitate to ask if we could put a class together. We also have a few fun events planned for the New Year.

Our UFO workshops with Linda are very popular but she would like to quilt more so we are adding a UFO with Bonnie once a month for beginners and confident beginners.

We are also continuing with our ever popular Paper Piecing and Fusible Clubs the first and second Saturdays of each month. Carol and Tina are very enthusiastic about their clubs and look forward to them each month.

We wish each of you the joy and peace of Christmas. Thank you for your support and encouragement in 2014 and we look forward to an exciting 2015.
